The roommate matching app for people with disabilities

What is OOMM?

OOMM is a web-based and app-based tool for people with disabilities within the California Alta Regional Center System who need to find a roommate match. Through the app you can:

- Build a safe and secure profile
- Select roommate preferences,
- View profiles
- Accept or reject roommate matches
- Connect with potential roommates

How to start

Roommates

- ▶ Go to our website, click “Programs/Services,” watch the video
- ▶ Decide if you’re interested
- ▶ Contact us to build your profile

Service Coordinators

- ▶ Go to our website, click “Programs/Services,” watch the video
- ▶ Share video with clients to determine interest
- ▶ Refer client through referral link on web page
