

SERVICES ACCESSIBLE THROUGH THE REGIONAL CENTER

Did you know that the Regional Center has access and can refer clients and families to vendors who provide a variety of services? The services need to be a part of the individual's Individual Program Plan (IPP), and there must be a planning team meeting.

See the Alta California Regional website (<https://www.altaregional.org>) for more information on the types of services and providers who exist. For more information about On My Own and what services we provide, see <https://onmyown-web.com/>
